Entry Form

Name:

Division:

Singles: yes / no

Doubles: yes / no Partner

Mixed Doubles: yes / no Partner.....

All players who have played in the Saturday League games are encouraged to participate and are entitled to enter three games - singles, doubles and mixed doubles.

Partners will be found for children, or they may nominate their partner. Make sure you ask before nominating someone so that the names on both forms are correct.

Note: Only players who have played at least 3 times before September 6 are eligible to participate*. This rule is set for 2 important reasons:-

- to ensure that sufficient entry fees will have been received to contribute towards the cost of awards and trophies given out during the season's closing ceremony.
- to avoid the possibility of players turning up just at the end of season to compete for trophies without proper participation in the roster.

* Exceptions can be made in mitigating circumstances, such as illness.
