A WARM WELCOME TO THE 2015 SEASON!

Welcome back to those who have attended in previous years, and a very warm welcome to all new players.

If this is your first time playing badminton then please 'hang in there' through the first few weeks and you will discover what a great fun and sociable game badminton is. We will ensure that you get to play a variety of singles and doubles games with players of a similar standard. We also hope to offer opportunities to receive coaching from time-to-time to improve your game.

Playing commences from 1:30pm, and matches will be organised by volunteer parents until 4:00pm. Players are most welcome to arrange their own games and keep playing until 4:30pm. Also, parents are encouraged to join in the fun during this last half hour of play.

Note to parents: Please ensure your child is collected before supervision ends at 4:30pm.

The roster is not conducted during school holidays, or when the centre is hosting badminton tournaments. Listed below are the planned dates for this season. Please make note of these dates in your diary.

Player Information Form

You will find a form attached to this Newsletter which parents are required to fill out to register their child(ren). The main purpose of this is emergency contact information that is held by the coordinators at the STBA. **This must be completed before a player steps on court.** We will have spare forms and pens at the registration desk, but it would make things a lot smoother if completed and signed forms are brought on the day.

Parent Help Roster

We always need help on the registration desk and assistance with each of the divisions on the courts. On the reverse of the Player form is a Parent help form. Please give serious consideration to the request for your assistance found on this form. These sessions can only operate with the help of parents and family. It is not necessary to know how to play badminton to be able to give assistance.

We have had a wonderful group of parents helping keep the roster running over the years, but they can't keep doing it forever. We always need renewal, and if there is insufficient support then the roster may have to be suspended.

Alan Bottomley has again designed a parent help form for us to complete in order to maintain the roster. If you would like to assist please send us an email and we can forward you the login details.

Attendance Fees:

Fees have crept up to \$8 per child this season (cf \$7 for the past 4 seasons at least). Fees are charged for the sole purpose of recovering costs (running the centre, shuttles and end of season trophies). To offset the increase for families there is a slight discount – 2 for \$15 and 3 for \$20.

Coaching

We hope to be able to offer coaching throughout the season on a semi-regular basis. We will keep you posted and please check the noticeboards for other coaching opportunities at other times.

Pizza Socials

Playing Badminton is a social activity as well as a sport. We like to encourage the social bonds that develop between the junior players by holding an occasional pizza tea to follow the games. This is held in the function room adjacent to the courts. Notification of dates for each league will follow in subsequent newsletters.

Email Distribution List

An Email distribution list has been compiled to help facilitate communications with all parents of junior players.

If you would like to be included on this distribution list then please contact us at stba.juniors@gmail.com, or fill in your email address on the attached form. You will be able to receive updates, newsletters etc if you are on this list.

(Hardcopy of newsletters will continue to be available from the website, STBA noticeboard, and upon arrival at the registration desk on Saturdays).

SJB Rules For Participation

To ensure the season runs safely, smoothly and fairly, we ask all players to observe the following rules:-

1. Indemnity

We must receive a completed indemnity form for each player every year

IMPORTANT: This must be completed before taking part in the Junior Roster.

2. Starting Age

Our normal rule is that players must be ten (10) years of age as from 31st March. However, children who can hit the shuttle and are under 10 are welcome to participate, but an adult must stay to help supervise them the entire afternoon.

3. Ending Age

Junior badminton ends for players once they have exceeded 18 years of age. Players who are aged 18 at the start of the roster will be eligible to play for the entire roster season and also participate on the championship day.

4. Playing Time

1.30pm until 4.00pm for organised games. Informal games may continue being played until supervision ends at 4:30pm.

5. Court Fees

\$8.00 per week. 2 children from the same family for \$15 and 3 for \$20. All fees must be paid upon arrival at the desk in the foyer and attendance recorded for safety/security reasons.

6. Games

Each player should be ready for their games when required.

7. Umpiring

All players are expected to learn how to undertake this invaluable task and are expected to umpire when they are asked to do so (if they have not already leapt into the Umpire's Chair!)

8. Rubbish

This is **your** responsibility. All rubbish must be cleared from seating areas and placed in a rubbish bin **please**.

9. Behaviour

Inappropriate behaviour and poor sportsmanship will not be tolerated on or off the court and serious offenders will be asked not to return. Interested, committed volunteers, who give valuable time and effort supporting Junior Badminton, conduct this roster. Please make their task a pleasant one by your courteous approach.

10. Attendance

It is not essential to attend every Saturday as games are flexibly arranged for whoever turns up. However, please arrive and be ready to play badminton promptly from 1:30pm so that we can get the most from these sessions.

11. Clothing

Suitable sports clothing- shorts, track pants, skirts, etc., of a light colour and indoor court shoes with non-marking soles.

Unsuitable clothing- hats, jeans, T-shirts with unsuitable wording and black soled shoes, will not be permitted.

Players wearing unsuitable clothing will be asked not to play.

12. **Championship Day**

A Championship Day is organised for the final date of the season, and all players who have played at least 3 times by the 25th of July are eligible to participate. This rule is set for two important reasons:-

- to ensure that sufficient entry fees will have been received to contribute sufficiently towards the cost of the medallions and trophies given out during the season's closing ceremony.
- to avoid the possibility of players deliberately turning up just at the end of season to compete for trophies without having properly participated in the roster.

Exceptions to the Championship Day attendance rules can be made if there are sufficient mitigating circumstances, such as illness, that have prevented a player from regular attendance. Please contact the organisers if you would like to ask for an exception to be made.

Note: No attendance fees are payable on the Championship Day.

Contacting the Badminton Centre during games

In an emergency parents can contact the Badminton Centre on 6223 1754.
