Any under age player must be sufficiently mature to mix with adults in competition on the courts and socially off the courts for an entire weekend.

3/. **Dress Code** – Appropriate badminton attire must be worn by all players.

By definition –

Polo Top – has sleeves and a collar - preferred.

Tee Shirt – has sleeves and no collar - not preferred, but accepted.

If your joint partner pulls out, you will need to find another. You will have more options at your association than the committee does. Both players can play on the same day, but not in the same match.
